

## 19" Sliding Enclosure

### PRODUCT INFORMATION

The MSS 19" Rack Mount Sliding Enclosures offer the installer a premium product with a variety of features for easy direct termination or fusion splicing of cables due to its unique sliding tray system.

Its modular design provides the flexibility to choose from a variety of thru-adaptor types including ST, SC, FC, LC and MTRJ.

Splice cassettes are easily fitted via pre-installed mountings and the sliding tray allows technicians easy access back into the enclosure after installation for repairs and maintenance.

### FEATURES & BENEFITS

- Tough and Durable steel design
- Supports a wide range of splice cassettes
- Utilises modular coupler panels to suit your connector type (see coupler panels)
- Quality 2 stage sliding mechanism
- Accommodates up to 96 fibres depending on selected enclosure
- Adjustable mounting brackets
- Angled rear cable mounts
- Comes with M20 gland, strength clamp and cable management clips
